

JUNE, AUGUST & SEPTEMBER 2026

GROUP EVENT

At Stage Fever, we value the “old school” simplicity of the type of dance eisteddfods you used to find 20 years ago. That’s why at our event, we aim to replicate the organisation and energy of a small hall eisteddfod but in a nice theatre with secure change rooms and a good-sized stage.

[A professional performance experience in a relaxed atmosphere.](#)

We take care and time in our programming so that your groups will perform in a logical order. We will notify the start time of every section in the program, so competitors will know exactly when they will be performing and short of an extreme, unforeseen circumstance, we will always start on time. We have stage managers and front of house managers to keep communication open amongst all studio owners, so no one is caught off guard. AND....we do all this while keeping prices down so that a wonderful weekend of Performing Arts is not a financial burden on studio owners and families.

Established in 2004, our team are friendly and supportive of all competitors, and we make sure we are organised so that teachers, parents and competitors can relax, enjoy the performances and be in and out as quickly as possible!

We are very confident in our ability to create a warm and friendly environment for everyone, and we hope you will consider joining us.

We Love Organisation – And We Reward It!

To keep our event running smoothly and minimise last-minute program changes, we offer a rebate to studios who help us with our top-notch organisation.

Here's what you need to know:

From the moment you **make payment to secure your place** until the **last day of the event**, any **section switch, late entry, or item withdrawal** will be considered a **CHANGE**.

Studios that **make no changes** to their overall studio entry will receive a **rebate of \$15 per group entered**.

***Example:** If a studio enters **10 groups** and **makes no changes** after the closing/payment date—and all 10 groups perform at the event—the studio will receive **\$150 cash back**.*

What Counts as a Change?

If a studio enters 10 groups but then **switches** a group to a different section, **withdraws** a group, **adds** a group, **moves** a group to a different age group, or makes **any other** entry adjustments, no rebate will be available.

How Do You Get Your Rebate?

For studios that qualify, the rebate will be available at the completion of the event — our way of saying "**THANK YOU**" for your fantastic organisation!

- You will receive an email no later than THREE weeks before the event to upload your music to a designated Google drive.
- Please upload your music files using the following file naming convention:
ItemNumber_AgeGroup_Studio_Style_NameofItem
- OR we are also happy to rename your music as we understand how busy this time of year can be. Just let us know!
- All music must be uploaded by the DUE DATE stated in the email sent.
- Please also bring a backup copy of your music on an accessible device or USB. Please use the same naming convention as above.

- All groups must be FOUR minutes (4 minutes) maximum length except Musical Theatre which can be up to FIVE minutes (5 minutes) in length.
- Time limits will be strictly enforced and music faded after the allocated time has elapsed. Time limit includes tags.
- Groups that exceed the time limit will be disqualified.

STAGE FEVER does not provide professional photography options however studios are free to film/photograph their own groups.

Each studio will be issued with ONE VIP video pass.

Only those with a VIP Video pass will be permitted to enter the VIP filming area.

Studios may film or take as many photos as they like of their group, provided their representative is wearing the VIP Video pass and is in the VIP filming area.

All other photography is strictly banned.

- **JAZZ/HIP HOP and LYRICAL/CONTEMPORARY:** The lines between these genres can often be blurry. It is at the STUDIO OWNERS discretion as to which section the routine should be entered.
- **ACROBATICS:** A performance displaying acrobatic skills.
- **MUSICAL THEATRE:** This is not a jazz dance section. All entrants in this section must display three elements as seen in most musical theatre productions, including singing (may sing over recorded vocals or live), acting and dance steps.
